

1st example

The heart icon does not fill with a white color when clicked

Attach

Add a child issue

Link issue

Create

Priority Medium

Description

Steps to reproduce:

- 1. Open TCL web page (TeamChallenge Library).
- 2. Go to rows with books under the sidebar
- 3. Hover over any book
- 4. Hover over heart icon
- 5. Click on heart icon and observe

Actual result:

The heart icon filled with a white color only after clicking and moving the cursor away from heart icon

Expected result:

The heart icon should fill with a white color when clicked

Severity:

Medium

Environment:

OS: Windows 10 64 -bit.

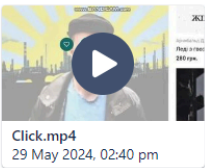

Microsoft Edge, version 125.0.2535.67

Opera One, version : 110.0.5130.39

Firefox, version 126.0 (64-6it)

Chrome, version 125.0.6422.78
